

Kerry began playing the Guitar at the age of 9 after joining a lunch time music class in primary school, and well... the rest is history!

She went on to pursue music at Leeds College of Music, completing a BTEC Level 3 Extended Diploma in Music Performance. This then led to a BA (Hons) in Music Performance and an MA in Creative Practice through The Open University.

She has been lucky enough to perform at many venues across Leeds and Hull, including The Cockpit and The Polar Bear. After performing in many cover bands and taking part in open mic nights, Kerry turned her passion to teaching in 2018. Starting with private tuition a few evenings a week whilst studying for her master's degree.

In 2020, Kerry joined The Music Rooms team teaching Guitar, Piano, Bass and Ukulele. Inspiring many students to gain a passion for all things music.

In November 2022, Kerry became the new owner of The Music Rooms and has since then created a well-supported community of musicians and students who attend lessons on a weekly basis.

Kerry is very passionate about teaching and creating a safe space for everyone to express themselves musically, try new things, push students to the best of their ability, but most importantly, have fun whilst learning and instrument!
